(Explanations are enclosed in [.....])

Here we list the featured Unificationist words of each lesson. For Lesson 1, for example, the featured words are: the Korean words for God (하나님), Heavenly Father (하나님 아버지), and True Parents (참부모님).

These circles contain the complete alphabet, starting with ㄱ in the central 1 o'clock position. For each lesson we print only the letters being introduced in that lesson. [See, for example, 제1과 on the opposite page.]

Here we list all of the words in the Family Pledge that can be formed by using the letters introduced in this lesson and the previous lessons.
